Warrior Football

This year, the Warrior Football Team won a total of 8 games. They made it to playoffs in Williamstown, but lost by 7 points. There were large crowd turnouts this year for the home games, and the Warrior fans really showed their pride. The football team showed us true sportsmanship by playing in the cold weather this year. PCHS is proud of their football team.

I've played soccer since kindergarten and this year was the most successful team I've been in a part of. We had a lot of moments and victories. I'm proud of the season we had. Wish I could go back and start over. It will be the last high school sport I will ever play and I think it was good.

Brady Jones

I had a really good year. I had great coaches and teammates and always remember making the state playoffs. GO Wildcats!

Mark Jordan

This year is tough. We had a lot of fun. We also did something that PCHS football hadn't accomplished since 2011, by going to the playoffs. That was a good experience. We should help us in our upcoming season.

Jacob Jones

I really enjoy learning from upperclassmen and coaches this year. I'm looking forward to another great year.

It's funny, as you go cheerleading and those past years hang on by so fast. I enjoyed every moment of it. I will miss the Friday night lights, end-of-practice and my friends.

Andra Taylor

Cheerleaders cry too because they're weak, but because they've been strong for too long... Just kidding, they probably got a medal to the face.

Makayla Malcom

Advice to upcoming freshmen; make sure you listen to your coach and senior captains because they know what's best for the team. Just have fun with it.

Courtney Dunbrack

I have made a promise that I'm glad I got to spend as much time as possible cheering with my one and only senior. Makayla and I took up every chance we had to be better cheerleaders.

After playing for four years, my favorite memories came from the summer camps with my team.

Sarah Ryder

My junior year was the best year because I got to spend it with my closest friends. We may have not went to states, but I wouldn't have anything. We always had a good time. Last year when Poppy and I fought the fire alarm went off and we left the popcorn in there for cooking, including water. The fire alarm went off and the fire department coming. It was great year.

With only one coach this year, we made it work. Sad to say this is my last season with these lovely ladies. To all the underclassmen, you have quite a few spots to fill on the field. Work hard and never give up.

Lindsey Hartzell

Next year, I hope that we have another great season but hopefully get more wins. It's not going to be the same without the seniors next year. I miss playing with you girls. I won't forget the time. Can't face-played trying to dive back to first.

Had an amazing year with the 4 x 800 relay team. So proud that we were able to reach our goals by breaking the school record with a time of 6:16 and placing third in the state. Good luck to Cora next year!

I loved being able to go to states with my relay team. 4 x 200 and the 4 x 400 team. It was a great experience.

Cora Hedrick

I loved breaking the school record for 4 x 800 relay team at states, but was disappointed when they just got third place medals. I will never forget the bus ride when Mr. Pugh and Mr. Kitchenhouse were barking at a bear.

The atmosphere at the coaches this year really set the tone for how hard the team worked, especially the distance team. My favorite memory was when I almost got the 4 x 800 team disqualified at Regionals for passing on the inside lane.

The 2016 season was a good season! I loved being able to go to states and compete in district.
